<a href="#">S.204</a>	5/10/2024	An act relating to supporting Vermont's young readers through evidence-based literacy instruction	Education	<a href="#">139</a>	As a former teacher and bookstore owner, and someone who taught literacy to adults, this is a no-brainer for me.

<a href="#">S.220</a>	5/10/2024	An act relating to Vermont's public libraries	Education	<a href="#">150</a>	I supported this bill because I think what kids read after they turn 12 should remain between them and the librarian. I hope that most kids feel comfortable sharing their books with their parents, and I trust librarians to counsel kids about book choices.

<a href="#">S.102</a>	5/9/2024	An act relating to expanding employment protections and collective bargaining rights	Employment	<a href="#">117</a>	I was disappointed by this bill because it left the agricultural workers exempt from collective bargaining. I think the vast majority of farmers are treating their workers with respect and dignity. This bill has created a study committee to see what might happen if ag workers were allowed to unionize
<a href="#">H.289</a>	5/7/2024	An act relating to the Renewable Energy Standard	Energy	<a href="#">179</a>	This act increases the amount of total renewable energy electric utilities are required to purchase pursuant to the Renewable Energy Standard (RES) to 100 percent on or before January 1, 2035, depending on the type of utility. For the next two years, at least, this will not affect electric bills. Also, news of the cost being \$500 million is very misleading, as this is what the next ten year of electric would cost now. VEC is slated to get money back from this that will be passed on to consumers.

<a href="#">S.5</a>	4/27/2023	An act relating to affordably meeting the mandated greenhouse gas reductions for the thermal sector through efficiency, weatherization measures, electrification, and decarbonization	Energy	<a href="#">18</a>	I voted for this because, as we've seen, <b>it didn't raise anyone's home heating bill.</b> This part is just a study. In 2025 the report will come back and we'll vote on whether or not implement it. The rant of a 70 cent increase was wrong, unfair and unproven. <b>I was able to get amendments added to this that increased weatherization for mobile home owners as heat pumps don't really work in them.</b>

I fully support not having unserialized guns in the state.

<a href="#">H.190</a>	4/20/2023	An act relating to removing the residency requirement from Vermont's patient choice at end of life laws	Health care	<a href="#">10</a>	I feel strongly that if someone with a terminal illness wants to end their life with medically assisted suicide and they fit the requirements, they should be able to do so.

<a href="#">S.109</a>	4/25/2024	An act relating to Medicaid coverage for doula services	Health care	<a href="#">97</a>	Doulas provide vital birth support and this should be covered.
<a href="#">S.114</a>	5/10/2024	An act relating to the establishment of the Psychedelic Therapy Advisory Working Group	Health care	<a href="#">126</a>	

<a href="#">S.18</a>	3/21/2024	An act relating to banning flavored tobacco products and e-liquids	Health care	Did not pass	This bill was vetoed by the Governor and the Senate did not take it up during the override session. It passed the House by a moderate margin. I did vote in favor of this because I started smoking menthols at 13. But I've had some time think about this, and I would now only vote for the flavored vape ban that affects kids.

<a href="#">S.100</a>	5/12/2023	An act relating to housing opportunities made for everyone	Housing	<a href="#">47</a>	This is a great housing bill. The remaining 35% are paying fully, so they're helping to fund the meals. Also, if wealthy are bothered by having meals for their kids, they can make a donation to their school.
